Show Dog Transport Specifications and Options

Animal Rescue and Rehabilitation Van

Custom designed to safely transport up to 10 different kinds of desert animals and withstand the varying climates and demands of different regions. This vehicle was used to conduct 150 educational programs across Arizona and Minnesota in one year.

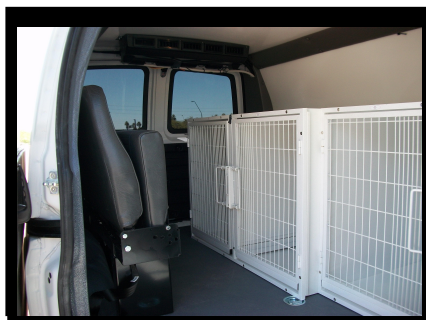

Show Dog Transportation Sprinter Van

Transport your show dogs in style and comfort. Sprinter vans are versatile and be customized to fit your specific needs. Tie down rings keep your cages secure. The EZ Clean floor option makes it easy to keep your vehicle clean. Rear A/C and spray foam insulation maintain a comfortable temperature throughout the vehicle.

Mobile Dog Grooming Van

Built in a Chevy full-size van with a washing station, animal raising platform, vacuum system, rear A/C, and ceiling lights. We custom upfit the interior of your dog grooming van to accommodate dogs of all sizes with ease. Offer full service, professional grooming in a mobile environment.

K-9 Transport Van

The K-9 Transport Van includes rear cages for up to two dogs, Ray Allen K-9 Deployment and Heat Alert Systems, and rear A/C to avoid overheating. Built in a Chevrolet Van and includes collapsible rear seating, heavy duty flooring, tie down rings, Intermotive DLR, and a Tuffy Security Box.
